Request for Bids – Snow Plowing

The WRGC Board of Trustees is seeking bids for **Snow Plowing** for the 2010-2011 winter season.

Normal Service:

- Plowing is to be from the WRGC main entrance on Pine Street proceeding down the main access road bearing right towards the clubhouse to and including the clubhouse parking area and the circle drive in front of the clubhouse. Plowing also includes the Indoor Range Parking area and one pass on the Indoor Range side of the clubhouse to provide access the propane tanks.
- In addition, the clubhouse walkway and the entry doors of clubhouse and indoor range are to be cleared by snow blower or hand shoveling.

Additional Service(s):

- Additional Service #1 - If requested by the Board of Trustees, this service calls for plowing from the fork in the main access road past the outdoor range and down to and including the club pond parking area.
- Additional Service #2 - If requested by the Board of Trustees, this service calls for plowing from the main access road and down to the Outdoor Range.

Bids are to specify rates per Normal Service and per Additional Services.

Bids must be submitted to the Board of Trustees no later than Tuesday, December 28, 2010.

The successful bidder will be notified by the Trustees no later than Wednesday, December 30, 2010.

The decision to plow WRGC will be made by the Trustees at the time of each storm and the contracted bidder will be notified by telephone as quickly as possible. The contractor will be notified at that time whether any Additional Services are required.

For more information please contact Mike Drum (508-866-8312)
